

What's New?

The documents in this blog are never finished. I continue to add new content and will alert readers to my changes as they occur. Please refer to this update when you log in. There will be duplicate entries depending on the format in which I am sharing the information.

July 17, 2026

- **Week 3 entry added for July 2026.**

July 14, 2026

- **Script for a Speakers Bureau Mini-Talk at the Cromwell Senior Citizens Center – scheduled for July 15, 2026 – I purposefully included the large, boldfaced font to both ease my delivery and so that individuals with limiting reading abilities can view my comments in an easier to access format.**
- **I have also included the script I used for a June 13th online, zoom meeting of the Speakers Bureau. Using the features on your computer, adjust the size of font for the most convenient viewing.**

June 07, 2026

- Week 1 entry added for June 2026

June 03, 2026

- Revised title and edited content for “Perceptions Along the Way” in the series of documents – *On the Path of a Perfecting Care Partner*. I am in the process of updating the terminology from Caregiver to Care Partner in keeping with a more dementia positive framework in which a reciprocal relationship exists between an individual and their loved one living with dementia.
